EXPERIENCE

NCTU - UX Lesson Teacher Assistant

FEBUARY 2020 - JULY 2020

As a teaching assistant for the course — "User Experience and Usability Evaluation" for one semester, I assisted the teacher in the arrangement and teaching of the course.

HOPE English - UX Designer/Researcher

FEBUARY 2019 - JULY 2019

I work with a small team of UX design and research. We cooperated with an English learning product - "HOPE English" My role is to systematically evaluate the usability and functionality of interactive systems using a variety of methods.

NCTU DCAT - Web Designer

MARCH 2018 - SEPTEMBER 2019

I worked on the visual design and web design of the Communication Technology Department of NCTU official website. Create a brand new website for DCAT.

Panasonic - Product Design Intern

JULY 2016 - AUGUST 2016

I work as a product design intern in the home appliance manufacturing department. I work with mechanical engineers and industrial designers for 3D modeling and product performance tests.
